You can easily compare multiple airlines available to find out the most affordable and feature-rich airline booking. Your flight ticket to Canada is the first step to exploring the Great White North.

## Major Canadian airports and their connectivity

Canada is well-equipped with a state-of-the-art international airport that handles millions of passengers every year. The busiest airports in Canada include Toronto Pearson International Airport (YYZ). Located in Ontario, the Toronto International Airport is one of the busiest International airports in Canada. The airport offers non-stop flights to and from major cities around the world, including London, New York, Dubai, Hong Kong, and more. Vancouver International Airport: This airport serves the West Coast. Vancouver Airport is a prime hub for flights connecting Asia and the Americas. Montréal International Airport is located in Quebec. This airport is ideal for travelers from Canada, Europe, and the Eastern US. Calgary

International Airport and Edmonton International Airport are both excellent choices for accessing the Canadian Rockies and Western provinces. With the help of the extensive air connectivity and modern terminal, international and domestic travelers have a wide range of travel options and can book **Canada flight with Flightd**.
