

BTSC JE Recruitment 2026 Reopen Notice for 2809 Posts

The Bihar Technical Service Commission (BTSC) has reopened the registration window for the BTSC JE Recruitment 2026. Candidates can now apply for Junior Engineer (JE) posts until January 30, 2026, through the official website btsc.bihar.gov.in.

The registration window was reopened after several candidates reported technical difficulties while submitting the online application form.

As per the official notice, the online application deadline has been extended from January 22 to January 30, 2026. The commission also clarified that the date of issue of certificates mentioned in Clause 8 of the advertisement will be valid only up to January 12, 2026.

Candidates are advised to complete their applications within the revised deadline and regularly check the official website for further updates.
